## Specific to our District

- I. We were planning to have a Sunday School Conference in Watertown area this fall. However, we have decided to create 4 videos that are specific to Sunday School. These will be available free in video format at [www.discipleshipwwd.org](http://www.discipleshipwwd.org) (and other possible venues) starting on August 2. They are as follows:
  1. “Reaching out to Middle School Children and Their Parents”
  2. “Starting and Restarting a Sunday School”
  3. “How to Teach a Sunday School Lesson with the Art of Storytelling”
  4. “Sunday School as Outreach into our Hispanic/Latino Communities”
