God has continued to bless the work of our committee!
Here is a summary of what God allowed us to do for the
2021-22 school year:

Western WI District Scholarship committee reviewed
110 applications. We gave 23 grants totaling \$2,350.
On behalf of the students, thank you!

With the Parental Choice Program becoming more
widely used, we are shifting our primary focus to MLC
and WLS students. High school students are still
encouraged to apply, but we've seen a drastic decline in
need among the high school applicants.

To best use the funds available to us, each year we give
whatever we've received in donations, plus \$2,000 of
the funds we have on hand. Donations have slowed over
the past years, yet we are thankful for all the gifts
entrusted to us through God's people. Thank you in
advance for any gift you give this year to help support
our students training for ministry.

Mr. Frank Van Brocklin has been appointed to serve as a
teacher representative on our committee. Welcome!
God's blessings as you serve with us!
