SENIOR CHAPEL

Throughout the school year, over 80% of senior boys volunteer to lead an evening chapel service, including writing and delivering a devotion to their peers. The senior class then lines up to congratulate and encourage their classmate after the chapel service.

In addition to senior chapel, special chapels are scheduled during the year, another chance for senior boys to lead the service and serve as acolytes.

LPS provides many opportunities for all students to learn about and try their hand at teaching and preaching, through Taste of Ministry, Ministry Day, and Project Timothy. These, along with encouragement from LPS faculty and their home congregations, help students discover their gifts for serving the Lord in the public ministry.

As you plan for next school year, join us for an open house, schedule a field trip (and consider visiting Wisconsin Lutheran Seminary and WELS Center for Mission and Ministry too!), or set up a shadow visit.
