

LUTHER PREPARATORY SCHOOL

SUMMER 2022 UPDATE

Below are the graduates of Luther Preparatory School Class of 2022. Their achievement was commemorated with a service of thanksgiving in the Luther Prep gymnasium on Saturday, May 21.

"No, in all these things we are more than conquerors through him who loved us." (Romans 8:37)

Ask the Lord of the harvest to send workers into his harvest field (Mt 9:38). God's people throughout history have offered that prayer. Of course, God answers it. Year after year graduates from Martin Luther College and Wisconsin Lutheran Seminary present themselves as men and women prepared and equipped to serve in Christ's gospel ministry. They are eager and willing to preach and teach the full counsel of God found in his holy word, with Christ Jesus as the cornerstone. God cares deeply for our souls and our salvation by providing WELS congregations and schools with pastors, teachers, and staff ministers.

In May, forty seven young men graduated from MLC with a Bachelor of Arts degree. Almost all of these young men will enroll at Wisconsin Lutheran Seminary in fall. This class will number among the highest at WLS in the past twenty years. Luther Prep praises God in noting that twenty seven of the forty seven were LPS graduates four or more years ago.

We pray that our dear Lord Jesus continues to encourage high school aged students from our prep schools, area Lutheran high schools, public schools, and home schools to consider Martin Luther College and the high calling of the public ministry. They will be God's future answer to our prayers of today.

Summer Projects at Luther Prep

Various campus upgrades will occur this summer, some of them immediately following May graduation.

- ◆ New windows are going in the Wartburg dorm
- ◆ New HVAC controls in the Campus Center
- ◆ Trees near east side buildings are being replaced with landscaping
- ◆ New football scoreboard
- ◆ New Auditorium bleachers

The above improvements have been eagerly waiting to be addressed and you can look forward to seeing them when you come for a visit!

Summer

Camps

Thank you for serving Prep - Tutors Klatt, Olsen, and Hirsch. Caleb will receive an assignment from WLS and both Emmalie and Ella are to be married this summer.
