

# WELS Foundation— helping God's people support the ministries they love since 1965

Watch Karen and Lynn  
(below) talk about  
supporting the ministries  
they love.

**We know that the “alphabet soup” of planned gifts can be overwhelming. What’s a CGA? a DAF? a CRT? How does an endowment fund work? And are any of those the ideal way for you to make gifts to support the ministries you love?**

WELS Foundation is here to help. We can assist you in using your blessings to be a blessing to others—based on your unique situation, finances, and giving goals.

## We can help you . . .

- **Give** to support ministry right now
- **Give** to support ministry in the future or after Jesus calls you home
- **Give** to support ministry on an ongoing, perpetual basis
- **Give** while supporting ministry and receiving a retirement income for life
- **Give** in the most tax-efficient way so more of your blessings support ministry

“WELS Foundation is familiar to our members. They’re a trusted partner with LWMS and with WELS. So it made sense for us to have a partner we knew and understood, and that our membership really trusted.” —**Karen Fischer**, past president of Lutheran Women’s Missionary Society, on working with WELS Foundation to set up an endowment fund

“My husband and I have been very pleased with our experience [with WELS Foundation]. If you have a heart for the Lord’s work, you can designate wherever you want that money to go, and it’s all taken care of. Your family doesn’t have to worry about it and [you] don’t have to worry about it. It’s really been a great fit for us, and we’ve been very happy with what they’ve done.” —**Lynn Zimpelmann**, on working with WELS Foundation to set up a charitable remainder trust
