

Western WI District School Coordinator

June, 2022 Report

District Convention

The main goal of the District School Coordinator is to assist all of the congregations in their District with strengthening their schools. The Lutheran Schools of our Western WI District make up a large portion of the Gospel work that is done throughout our Synod. The Lutheran Schools and Early Childhood Programs are a tremendous blessing from our Lord to all of the members of our District and Synod. The schools also serve as a powerful outreach tool to spread the Gospel throughout the world.

The District strives to communicate effectively with all of our called workers. This includes teachers, principals, ECM Directors, staff ministers, and pastors. ***Please make sure that you have updated your information with the CLS.*** We use the email list that the CLS provides our District. WCRIS

Please stay current on reading your WCRIS information. The transgender issues in our society may pose some challenges for our schools. Please read the latest issues of the WCRIS news and stay informed of the issues in our society that can impact our religious freedoms.

Thank You

Thank you to all who serve in our District as School Counselors, WWD Teachers Conference Program Planning, our Officers, and volunteers. If you would like to get involved in our District work, please contact Fred Uttech, Ben Rank, Tom Plitzuweit, or Peter Micheel.

Closing

In closing, pray for the continued blessings on the educational ministries of our congregations. The outreach that comes through our schools is a tremendous blessing for the future of our Synod. Also, pray that we, as congregations and schools united in fellowship, remain faithful to the Scriptures. May we defend the truth of Scripture with boldness and confidence. When Satan attacks the truth of scripture, may we respond with forcefulness and clarity based on the Scriptures. To that end may God bless the work of congregations and schools.

Respectfully submitted,

Frederick Uttech
